

# THE GREATEST PREVENTION CONFERENCE

# APRIL 10th & 11th

## 2018 Community Hope Conference Vendor & Resource Area

Today caring field professionals and parents see, hear, and respond to incredible amounts of trauma, stress, and pain from their clientele and children. The stories, events, and experiences that the clients and children face can have a profound effect on the support team.

For this reason we need your help!

As an extension to our 11<sup>th</sup> Annual Community Hope Conference, we would like to invite area businesses and non-profit organizations to assist in giving our attendees a break from focusing on their professions or home situations. We welcome you to use the exhibit area to help caregivers turn the spotlight to caring for themselves. Please accept this invitation to set-up a booth space. Bring information focused on helping our local helping professionals and foster and adoptive parents.

### Cost:

For Profit Business	Non-profit
Donation of one or more items to our silent auction and resources to help attendees after they leave the conference	Resources that attendees can take with them as reminders to care for themselves

### Requirements:

Exhibitors are allowed to sell items at their booth. Please no high-pressure sales.

### Details:

- Table and 2 chairs will be provided (if needed).
- Conference vendor date: Tuesday, April 11, 2018.
- Conference will be held at:  
Calvary Baptist Church 600 E. 50<sup>th</sup> Street, Joplin MO 64801
- Set Up Time:
